McComb Arrow-Tie Co. their Plant, Machinery and entire stocks of Iran Cotton Ties, both in England and the United States, we are able to announce that we are now the ONLY House capable of furnishing GENUINE "arrow" Cotton Ties for the coming season. These Ties are made of best selected ENGLISH Iron, weighing 44 bundles to the ton of 2240 pounds, or averaging about 51 pounds each, uniform in weight, length, quality and finish; and, being sold under rail guarantee, will meet every requirement suggested by the several Cotton Exchanges, which are now endeavoring to prevent a recurrence of the great losses of last season, caused by the use of inferior and light-weight ties. Yours truly.
